

PROJECT INFORMATION

LOCATION

Leeds, England

PROJECT TYPE

School

CLIENT

Leeds City Council / Millar Construction

Themes

Learning Environments

Interior Design for Visually

Impaired

Flexible Space Planning

Community Uses

STATUS

Built

The Studio LK team, whilst with Semour Harris Keppie, undertook the scope of work that included designing, planning, acquiring building permits, preparing tender, site supervision and interior design.

The academy sits nestled behind a green frontage onto Smeaton Approach. The building is formed from a main semi-circular form, from which three blocks proceed out towards the playing fields.

Courtyard spaces between these blocks are used for outdoor teaching and play. Flexible space is a key theme running through the layout. The main hall opens up into the drama studio to create a larger space.

The design intent is to create a building that reaches out in a friendly and nurturing manner to students as well as members of the local community. The main entrance is elongated, and emphasised by a large angular blue element, to reflect this intent and direct users of the building through the main entrance and into a communal reception area.
