MALMESBURY

Wilthshire - Neighbourhood Plan

Proposed

Proposed

Proposed

The Studio LK team, whilst with the Prince's Foundation, led an Enquiry by Design process in collaboration with Malmesbury Town Council and the local community, in which they developed a draft Neighbourhood Plan. The community wanted a plan that was robust enough to respond to its future needs whilst also addressing current isuses, such as affordable housing, green field development and town centre improvements. It wanted a Plan that also provided community facilities and services, and employment opportunities.

The Plan also recognised the importance of preserving and enhancing Malmesbury's unique genius loci, its setting and history.

The Plan proposals depicted in the overall 'masterplan' for the town include:

- A proposed new neighbourhood extension which could accommodate a significant portion, if not all, of the identified growth of the town over the neighbourhood plan period;
- A 'preferred' location for a new food store or supermarket on land at the Old Station Yard;
- A series of linked public realm projects to create or transform under utilised spaces, i.e. the Horsefair, the Triangle, the Market Cross, the Cross Hayes Square, St John's Bridge, into Malmesbury's 'string of pearls'.
